HANDWRITTEN CARD

Some words are too important to be typed.

A handwritten note is more than a message - it's a moment someone keeps. Whether it's love, gratitude, a quiet *I'm thinking of you* or something you never said out loud...we turn your words into something they'll find, feel, and remember.

Carefully handwritten and placed exactly where it matters - in the room, on the table, or beside a surprise.

Includes:

Handwritten card with your personal message

Elegant placement in the room or on the table

Pairs beautifully with flowers, cake, wine or a room setup.
